

**SETTLEMENT AND GENERAL RELEASE AGREEMENT
BETWEEN FACULTY MEMBER AND
THE UNIVERSITY OF SOUTH FLORIDA BOARD OF TRUSTEES
FOR EARLY RETIREMENT INCENTIVE PROGRAM**

This **Settlement and General Release Agreement Between Faculty Member and The University of South Florida Board of Trustees for Early Retirement Incentive Program** (“Early Retirement Agreement”) will detail the respective obligations by and between _____ (print Faculty Member’s name), hereafter “Faculty Member” and the University of South Florida Board of Trustees, a Public Body Corporate of the State of Florida, (“University”), regarding Faculty Member’s participation in the University’s Early Retirement Incentive Program for Employees in the Faculty Pay Plan (“Program”).

The University has developed and is offering the Program to balance its recurring salary expenses as necessitated by a challenging budgetary environment. In balancing its base recurring budget through the Program the University intends to be able to respond, at least in part, to anticipated budget cuts and reinvest limited financial resources in accord with the University’s strategic plan.

The parties to this Early Retirement Agreement acknowledge that the Program is voluntary and optional for university employees in the faculty pay plan.

In exchange for an opportunity to participate in the Program and realize the benefits contained in the Program and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties agree to the following terms.

1. Incorporated by reference herein and attached is the University’s written Program Description and Guidelines, dated January 25, 2010. FAQ documents associated with the Program are not intended to bear upon the legal effect or meaning of this Early Retirement Agreement. (See Attachment 1)
2. Faculty Member agrees and understands that any payments made under the Program will be less statutory deductions. Faculty Member shall bear all costs, fees, fines or amounts found owing arising from his/her characterization of payments made under the Program for tax purposes. Before making the decision to accept funds under the Program, Faculty Member acknowledges that he/she has been advised to consult with appropriate professionals of his/her choosing.
3. To the extent Faculty Member is a current participant in the DROP Program, Faculty Member shall withdraw from the DROP Program upon acceptance into the Program. Faculty Member shall bear all costs, fees, fines or amounts arising from his/her withdrawal from the DROP Program. This explicitly includes, but is not limited to, any amounts the University is required to pay as a result of Faculty Member’s withdrawal from the DROP Program. As applicable, any such amounts will be withheld from any payment received by Faculty Member under the Program.
4. Faculty Member agrees and understands that the decision to retire under the Program once final under Paragraph 11 below is irrevocable and binding. Consistent with the foregoing, Faculty Member agrees and understands that he/she is not entitled to reinstatement or re-employment with the University. In the event Faculty Member is inadvertently extended an offer of employment subsequent to Faculty Member’s entrance into the Program, Faculty Member agrees and understands that the University may immediately end Faculty Member’s employment regardless of

any notice or just cause requirement contained in University Regulations, Polices or Labor Agreements. It is the intent of the parties that this paragraph is interpreted as broadly as possible to extend to any type of employment with the University.

5. Faculty Member agrees and acknowledges that retirement under the Program constitutes retirement as that term is defined under Chapter 121, Florida Statutes. Faculty Member further agrees and acknowledges that he/she is aware of the limitations on re-employment after retirement contained in Chapter 121, Florida Statutes.

6. Except for the obligation set forth in this Early Retirement Agreement, the University finally and forever discharges Faculty Member, his/her heirs, assigns, representatives and attorney from any and all liabilities, charges, claims, demands, actions, causes of action, suits, wages, fringe benefits, liquidated or compensatory damages, punitive damages, consequential losses or damages, equitable relief, costs, expenses, or attorneys' fees, expert witness fees, interest and penalties of any kind and every nature whatsoever, known or unknown, which the University has or may have against Faculty Member from the beginning of the world to the date of this Early Retirement Agreement. This general release specifically includes, but is not limited to, any claims for discrimination or retaliation under Title VII of the Civil Rights Act of 1964, 42 U.S.C. §2000e et seq.; the Age Discrimination in Employment Act, 29 U.S.C. §621 et seq.; the Americans With Disabilities Act, 42 U.S.C. §12101 et seq.; the Family Medical Leave Act, 29 U.S.C. §2601 et seq.; The Fair Labor Standards Act, 29 U.S.C. §1201 et seq.; the Equal Pay Act, 29 U.S.C. §206(d); the National Labor Relations Act, 29 U.S.C. §151 et seq.; the Employment Retirement Income Security Act of 1974; 42 U.S.C. §§1981, 1981A, 1983, 1985, 1986 & 1988; the Florida Civil Rights Act, Chapter 760, Florida Statutes; Section 440.205, Florida Statutes; Chapter 448, Florida Statutes; Hillsborough County Human Rights Ordinance; City of Tampa Code Chapter 12; City of Clearwater Code Chapter 12; City of St. Petersburg Code Chapter 15; Pinellas County Ordinance 92-14; and other federal, state or local law, statute, regulation, code or ordinance; and all common law theories including under contract, quasi-contract, *quantum meruit*, tort and *estoppel*.

7. Except for the obligations set forth in this Early Retirement Agreement, Faculty Member finally and forever discharges the University from any and all liabilities, charges, claims, demands, actions, causes of action, suits, wages, fringe benefits, liquidated or compensatory damages, punitive damages, consequential losses or damages, equitable relief, costs, expenses, or attorneys' fees, expert witness fees, interest and penalties of any kind and every nature whatsoever, known or unknown, which Faculty Member has or may have against the University from the beginning of Faculty Member's employment with University to the date of this Early Retirement Agreement. This general release specifically includes, but is not limited to, any claims for discrimination or retaliation under Title VII of the Civil Rights Act of 1964, 42 U.S.C. §2000e et seq.; the Age Discrimination in Employment Act, 29 U.S.C. §621 et seq.; the Americans With Disabilities Act, 42 U.S.C. §12101 et seq.; the Family Medical Leave Act, 29 U.S.C. §2601 et seq.; The Fair Labor Standards Act, 29 U.S.C. §1201 et seq.; the Equal Pay Act, 29 U.S.C. §206(d); the National Labor Relations Act, 29 U.S.C. §151 et seq.; the Employment Retirement Income Security Act of 1974; 42 U.S.C. §§1981, 1981A, 1983, 1985, 1986 & 1988; the Florida Civil Rights Act, Chapter 760, Florida Statutes; Section 440.205, Florida Statutes; Chapter 448, Florida Statutes; Hillsborough County Human Rights Ordinance; City of Tampa Code Chapter 12; City of Clearwater Code Chapter 12; City of St. Petersburg Code Chapter 15; Pinellas County Ordinance 92-14; and other federal, state or local law, statute, regulation, code or ordinance; and all common law theories including under contract, quasi-contract, *quantum meruit*, tort and *estoppel*. However, this release does not affect Faculty Member's earned time in the State system, his/her retirement and any other vested benefit and, if applicable, it

is agreed that Faculty Member does not waive any claims to his/her vested benefits in his/her optional retirement plan.

8. All the terms of this Early Retirement Agreement will be construed and governed according to the laws of Florida. Should a dispute arise as to the meaning or effect of this Early Retirement Agreement, Faculty Member consents to venue and jurisdiction in a court of competent jurisdiction located in Hillsborough County, Florida. The parties agree that if any part of this Early Retirement Agreement is held to be invalid, illegal or unenforceable, that part of the Early Retirement Agreement will be dropped from the Early Retirement Agreement, and the remainder of the Early Retirement Agreement will continue to be valid and enforceable. Faculty Member understands and agrees that any disputes arising under the Program or this Early Retirement Agreement may not be grieved under University Regulations or Labor Agreements.

9. The rights and obligations of the parties under this Early Retirement Agreement shall continue to binding upon his/her respective successors and assigns.

10. This Early Retirement Agreement is the entire and final agreement between the parties regarding Faculty Member's retirement from the University. With the exception of the attached and incorporated by reference Program Description and Guidelines, the parties hereby acknowledge that there are no other understandings or obligations, oral or written, between them, including but no limited to financial and administrative arrangements.

11. Faculty Member understands that she/he has received forty-five (45) days from January 25, 2010, to consider and review this Early Retirement Agreement before signing below. Faculty Member further acknowledges that she/he has seven (7) days to revoke this Early Retirement Agreement after she/he fully executes the Early Retirement Agreement. EARLY RETIREMENT INCENTIVE PROGRAM FOR
EMPLOYEES IN THE FACULTY PAY PLAN**

January 25, 2010**

Overview

The University of South Florida System announces the availability of an Early Retirement Incentive Program. While open to all eligible members of the faculty pay plan, subject to restrictions discussed below (see section B under Guidelines), it is likely to be of most interest to those who are contemplating retirement from the University in the near future.

The program is subject to available funding within the separate institutional budgeting units of the USF System. The program is therefore available for employees in the faculty pay plans of USF Tampa (Academic Affairs and Health), USF St. Petersburg, and USF Sarasota-Manatee. There is no guarantee that this program will be available in future years.

Additional information is available in a supplemental "Frequently Asked Questions" document.

Authority & Restrictions

Florida Board of Governors Regulation BOG 1.001
2009 Florida Statute, Section 1001.74(5)(e)

Details of Benefits Available

Participants in the program will receive:

- A fully annualized one-year E&G-funded base salary paid in one lump sum, less applicable taxes and deductions. Calculations for this payment are as follows:

Nine-month faculty: 9-month base salary x 1.33

Twelve-month faculty and other employees: (12 month base salary x .818) x 1.33

NOTE: Any stipends associated with the salary will be included as part of the payment, less applicable taxes and deductions, but will not be included in the calculation to annualize the salary.

- A one-time additional lump-sum payment of \$5,000, less applicable taxes and deductions, from non-state funds. While available for any use by the employee, it may be particularly helpful as a supplement to retiree payments for the Florida State Health Care Plan.
- All eligible pay-outs for accrued sick leave and annual leave in accordance with Florida Law, the Collective Bargaining Agreement, and applicable University Regulations.

- All rights and privileges accorded a retired USF employee. (NOTE: Conferral of Emeritus status for faculty members must go through appropriate procedures.)

Guidelines

A. Eligibility

An employee must meet the following requirements to be eligible for the voluntary Early Retirement Incentive Program:

1. Have at least ten (10) years of continuous service in the University of South Florida System as of August 6, 2010 (employed on or before August 7, 2000). A list of persons meeting this criterion will be available at the HR offices of the budgetary units (USF-Tampa, USF-St. Petersburg, USF-Sarasota-Manatee).
2. Have a base salary paid from state (E&G) funds. Employees in E&G funded positions whose salary is currently bought out by external funds are also eligible to participate.
3. Employees whose salaries are, by contract, partially funded through non-E&G sources are eligible, but the annualized pay-out will be based only on the E&G component of their salaries.
4. Employees not in the final year of participation in the State's DROP program are eligible to apply. Those individuals are, however, urged to carefully consider how an early exit from participation in the DROP program might affect their benefits and retirement expectations.

B. Exclusions

The following employees are excluded from participating in the Early Retirement Incentive Program:

1. Any employee who has accepted, or is in consideration for (still in the applicant pool), full-time employment at another institution/company/agency before March 29, 2010.
2. Employees who are in their final year (typically, year 5) of participation in the DROP program.
3. Employees in the Phased Retirement program.
4. Employees who are not currently E&G funded.
5. Employees who have resigned prior to the program implementation date and whose resignation has already been accepted.
6. Any employee who has received notice of termination or notice of non-renewal.
7. Any employee classified as "OPS".

Should any employee who receives the benefits of the program found to be in violation of one of these exclusionary conditions, the university will seek full reimbursement of the lump sum salary and supplemental payouts.

C. Program Components

1. Completion of Enrollment

Applications for the Early Retirement Incentive Program will be accepted from **Monday, 8:00 a.m., March 15, 2010 through Wednesday, March 17, 2010 at 4:00 p.m.** at the Human Resources office of the institution where one is employed. Hand delivery of applications is strongly encouraged because priority will be established on the basis of date and time of submission.

The campus locations are:

USF-Tampa (Academic Affairs & USF Health): SVC 2172

USF-St. Petersburg: BAY 206

USF Sarasota-Manatee: B 112 or B 113

In order to complete the enrollment process, the employee must:

- a. Submit a completed application form to the HR office on his/her home campus during the period specified above. It is the employee's responsibility to ensure that the form is received in Human Resources by the above referenced deadline.
- b. Review and complete the Early Retirement Agreement and submit it with the application form.
- c. Retain personal copies of both documents.

2. Conditions

- a. The employee agrees to retire from the University of South Florida, effective on a date designated to be commensurate with appropriate points in the academic calendar as listed on the application form.
- b. Commensurate with provisions of University of South Florida System Policy #0-614, there is no presumption of re-employment within and/or across USF System institutions.
- c. Retirement from a Florida State Retirement (FRS) institution/agency will entail restrictions regarding re-employment at other FRS institutions/agencies. There are no restrictions on employment at non-FRS institutions/agencies. (However, under Guidelines, see section B.1).
- d. The employee has up to seven (7) calendar days from signing to revoke the Early Retirement Agreement. After seven (7) calendar days, the agreement is binding to both parties.
- e. The lump-sum payment will be made within thirty (30) calendar days of the retirement date.
- f. After signing the Early Retirement Agreement, if the employee terminates employment with the University for any reason prior to the specified retirement date, the agreement is rendered null and void and a lump sum payment will not be made.
- g. The required Early Retirement Agreement will include a general release of liability from any existing claims against the University of South Florida.

- h. The University reserves the sole discretionary right to respond to its educational and operational needs by deferring an employee's separation date by up to one year beyond the requested date, assuming agreement by the participating employee.
- i. If the demand for this program is in excess of available funds within a budgetary unit, employees will be eligible on a first come, first served basis. That is, applications from each budgetary unit will be processed in the time-stamped order in which they were received, up to the amount of funds available for the program. The employee's desired date of retirement will not influence the selection of applicants (however, see item h. above). Applicants will be notified beginning **March 29, 2010** if they have been selected for the program. There is a possibility, but no guarantee, that any applicants who cannot be funded will receive priority consideration if the program is made available in subsequent years.
